

HIDDEN MASTERS OF THE UNIVERSE

Let's begin with Helena Blavatsky-a Russian spiritualist, she was the 'Magnum Opus,' spreading knowledge of the Ascended Masters. She traveled extensively in her days as a student. Her mission was to obtain as much information as she could about the Masters. Tibet was important in that she learned their 'home base,' so to speak. In 1873, she moved to the States and established the Theosophical Society. Others who at some point had a connection with the Theosophical movement, such as Alice Bailey, Helena Roerich, Manly P. Hall (an important figure in Freemasonry).

Theosophy literally means, “god-wisdom”. If you study the logo, you will find it incorporated the Swastika, Star of David, Ankh, Aum, and the Ouroboros. This should be revealing in of itself.

She wrote many books in her life but “*The Secret Doctrine*” has key quotes which I want to highlight.

“*Lucifer*

represents...Life...Thought...Progress...Civilization...Liberty...Independence...Lucifer is the Logos...the Serpent, the Savior”. pages 171, 225, 255 (Volume II)

“*It is Satan who is the God of our planet and the only God.*” pages 215, 216, 220,

245, 255, 533, (VI)

“The Celestial Virgin which thus becomes the Mother of Gods and Devils at one and the same time; for she is the ever-loving beneficent Deity...but in antiquity and reality Lucifer or Luciferius is the name. Lucifer is divine and terrestrial Light, ‘the Holy Ghost’ and ‘Satan’ at one and the same time.” page 539

I would like to finish with she was a 32 DEGREE FREEMASON. (Co-Freemason-which is the form of Freemasonry which admits men and women).

She was the PIONEER of the NEW AGE MOVEMENT!!

THE HIDDEN MASTERS

The doctrine with which Blavatsky promoted consisted of an evolution which included these Masters as our creators. A manifested aspect of advanced entities which periodically appear on Earth in order to direct the evolution of mankind. Their agenda was to bring forth a doctrine which reputedly based our existence as a part of their creation.

“Coincidentally, the Freemasonry society bases their organization off key knowledge of these ancient mysteries.”

Blavatsky posited that humanity evolved through a series of what she called “ROOT RACES”, with the present being the Aryans, which are the Fifth Root Race of SEVEN...pay particular attention to that key bit of info. These root races do not refer to ethnicities, but revolutionary stages. Hence the ‘Darwin’ aspect of it all. She taught that Atlantis was the Fourth Root-Race. A universal “Brotherhood” (Freemason comes to mind here) was needed to advance.

A mixture of occult philosophy with nationalist and fascists ideas brought forth a

system of thought which became known as “Ariosophy”. Esoteric in nature, this doctrine was initiated by a variety of organizations, namely that of German and Austrian concepts of the Pagan influences, with a hint of Armanen rune discipline. This is where the swastika originated. I believe the Old Norse myths and Greek mythology was imbedded into the foundations here as well.

Let’s not forget that the *Order of the New Templars* (Ordo Novi Tempis, or ONT), headquartered in Austria, overlooking the river of Danube. The Order was the first to use the swastika in an “Aryan” meeting. Displaying it as a flag with a red swastika, surrounded by fleur-de-lys in the four directions round about.

Also adopted was the THULE SOCIETY. This is steeped in Greek mythology, the name Thule was chosen for its significance in the influences of Guido von List and Lanz von Liebenfels (who established the Order of the New Templars-1907). The logo included oak leaves, dagger and swastika. Also the Order of the Temple of the Rosy Cross was an organization founded in the esoterism of the West, founded in the bosom of the Theosophical Society in 1912. Sounds a bit like the Rosicrucian, does it not?

Thule was an island located by Greek geographers at the northernmost extremity of the world, and the capital was *Hyperborea*. The survivors of Atlantis were said to be one in the same.

Never the Muse is absent

*from their ways: lyres clash and flutes cry
and everywhere maiden choruses whirling.*

*Neither disease nor bitter old age is mixed
in their sacred blood; far from labor and battle they live.*

There are many Ascended Masters-but there are only a couple which I want to speak of.

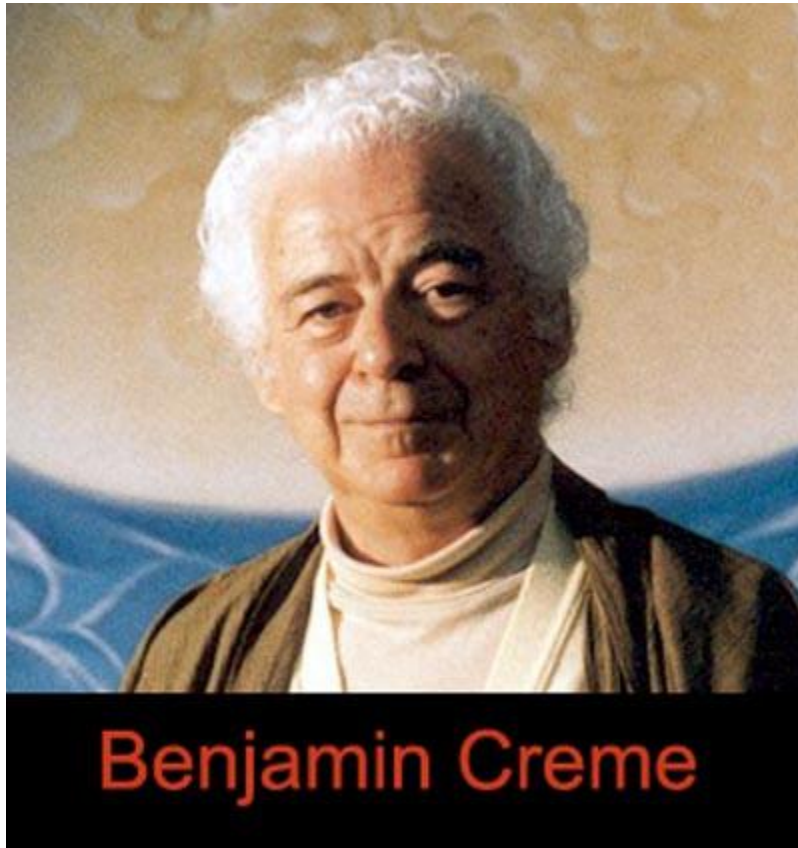

SANAT KUMARA

He is an 'advanced being' at the ninth level of initiation who is regarded as the Lord or Regent of Earth, and humanity. He is the head of the spiritual hierarchy of Earth who dwells in Shamballah (the sublime center of Earth), which floats on the etheric plane above the Gobi Desert. He is the founder of the Great White Brotherhood which is composed of Masters of the Ancient Wisdom.

In Sanskrit, Sanat means "eternal" and Kumara means a "youth". He has many names but on a planetary level, he is called SANATH Kumar, on cosmic level, he is called SUBRAHMANYA. On a supra Cosmic plane he is called, SANATANA. Blavatsky claimed he belonged to a group of beings, the "Lords of the Flame", whom Christian tradition believe is Lucifer and the fallen angels. Ancient Judeo-Christian traditions identify him as Ahura Mazda in Zoroastrianism. He claims to come from the etheric plane of planet Venus some 18.5 million years ago, who brought 144,000 souls with them. It is said that the Seven Holy Kumars sent one of themselves to guide us.

According to Elizabeth Clare Prophet, George Washington was divinely inspired

by the Ascended Masters to choose city planner Pierre L'Enfant to create the city plan of Washington DC, which is a model on the city plan of Shamballa. Sanat Kumara's symbol of authority of his office is a 2-foot-long (0.61m), 2-inch wide (51mm) MAGIC WAND called the *Rod of Power* made of metal orichalcum (from Atlantis), with cone-shaped diamonds on each end. He conducts his business in an enormous room in his palace called THE COUNCIL CHAMBER OF THE LORD OF THE WORLD. He has many assistants and these include THE WATCHER (also called the Silent Watcher or the GREAT SILENT WATCHER), whose function is to continually watch the akashic records (history of the Cosmos), and record daily all the information relevant to Earth and forward it to the CUSTODIAN OF THE HALL OF RECORDS. This is all then forwarded to the RECORDING ANGELS. Sounds like they have this down to a 'SCIENCE'! Although it's all just a counterfeit of GOD'S GOVERNMENT!

Crème admits that all these deities are NORDIC ALIENS from VENUS! Crème describes regular flying saucer traffic between Venus and Shamballa and Shamballa is equipped with an astrodome as well as numerous landing pads attached to the tops or the sides of the buildings to accommodate the heavy traffic

from Venus. Floating five miles above the Earth's surface on the etheric plane, Shamballa has numerous entrances from above and below. In addition, the Venusians have cigar-shaped mother ships up to four miles long to accommodate the activity.

Notice how SANAT can be twisted to spell SATAN?

MAITREYA

Millions of people around the world awoke to a surprising article in the newspapers on April 25, 1982. It would greet readers to a full-page ad which proclaimed, "*The Christ Is Now Here.*"

This wasn't just one ad...oh no! It was from Rome to Jerusalem, from New York City, to Kuwait and Los Angeles to Karachi...it more that 20 major cities across the world...readers blinked in SHOCK and disbelief as they tried to digest the "news" as they also digested their morning coffee.

The \$500,000 plus ad campaign featured the following copy:

The World Has Had Enough . . .Of Hunger, Injustice, War.

In Answer To Our Call For Help,

As World Teacher For All Humanity,

The Christ Is Now Here.

How Will We Recognize Him?

Look for a modern man concerned with modern problems – political, economic, and social. Since July, 1977, the Christ has been emerging as a spokesman for a group or community in a well-known modern country. He is not a religious leader, but an educator in the broadest sense of the world -pointing the way out of our present crisis. We will recognize Him by His extraordinary spiritual potency, the universality of His viewpoint, and His love for all humanity. He comes not to judge but to aid and inspire.

Who Is The Christ?

Throughout history, humanity's evolution has been guided by a group of enlightened men, the Masters of Wisdom. They have remained largely in the remote desert and mountain places of earth, working mainly through their disciples who live openly in the world. This message of the Christ's reappearance has been given primarily by such a disciple trained for his task for over 20 years. At the center of this "Spiritual Hierarchy" stands the World Teacher, LORD MAITREYA, known by Christians as the CHRIST. And as Christians await the Second Coming, so the Jews await the MESSIAH, the Buddhists the FIFTH BUDDHA, the Moslems the IMAMMAHDI, and the Hindus await KRISHNA. These are all names for the one individual. His presence in the world guarantees there will be no third World War.

What Is He Saying?

"My task will be to show you how to live together peacefully as brothers. This is simpler than you imagine, My friends, for it requires only the acceptance of sharing. "How can you be content with the modes within which you now live: when millions starve and die in squalor; when the rich parade their wealth before the poor; when each man is his neighbor's enemy; when no man trusts his brother?" Allow me to show you the way forward into a simpler life where no man lacks; where no two days are alike; where the Joy of Brotherhood manifests through all men.

"Take your brother's need as the measure for your action and solve the problems of the world." He has not as yet declared His true status, and His location is known

to only a very few disciples. One of these has announced that soon the Christ will acknowledge His identity and within the next two months will speak to humanity through a worldwide television and radio broadcast. His message will be heard inwardly, telepathically, by all people in their own language. From that time, with His help, we will build a new world. Without sharing there can be no justice; Without justice there can be no peace; Without peace there can be no future. The ads went on to list four information centers strategically scattered about the globe: Amsterdam, London, New York City and North Hollywood, California. For myself, unfortunately, these ads came as no surprise. In fact they and the vast network of organizations behind them – known collectively as the New Age Movement -had been the source of a near obsession with me for all of the previous year. They should have come as little surprise to most of the Christian community either -had the all-too-numerous clues been observed. The Age of Aquarius was at last arriving and it meant nothing as far as the Judeo/Christian world was concerned. And that world well needed to be concerned. For sadly, apathy was the order of the day -an apathy that if not soon shaken would result in the New Agers' long-awaited "New World Order."

Preceded by an incredibly sophisticated public relations campaign, including Benjamin Crème on a worldwide speaking tour.

DID YOU NOTICE? The last words of the news article? **A NEW WORLD ORDER.** You see the Illuminati/Freemason Elite are all just subject/slaves to these entities. It's all an agenda sent down from the Cosmos! And the end agenda?? A **SUPER-RACE** for the hybrid of the Antichrist to reside in.

Maitreya is described as the one who will hold the Office of the World Teacher. He has presented himself to Blavatsky, and others and made appearances in different parts of the world, periodically. That is until recently. His ‘Spokeman’ is Benjamin Crème.

Beginning in 1975, (the same year as the crop circles began to appear), Crème reveals he began telepathically channelling Maitreya. He states that Maitreya will return to Earth earlier than the post-2025 date given to Alice A. Bailey. He wrote a book “Message from Maitreya” documenting these communications. Crème says Maitreya has no need to eat, and has no navel. He is 6 foot 3 inches tall. Share International is the key website for his information concerning his communications with Maitreya.

According to Crème, Maitreya resides in London. Crème reveals that there are some 400,000 UFO bases on Earth! And according to him, the mixture of Chemicals are not just from human invention, but are a mixture. The work involves replicating the magnetic grid for the coming technology of ‘light’...in order to ascend.

The Masters, or otherwise known as the Mahatmas, in Theological literature, are the ultimate guides of the Theological Society.

At this evolutionary level, there are only two other entities which are above him. One being SANAT KUMARA, being at the apex. He is referred to as the Lord of the World. Seems a lot like what the Bible describes as Satan after he's cast out of the higher heavens by GOD.

Maitreya is known as the Christ Principle, described by Blavatsky.

THESE PICTURES OF "JESUS CHRIST" FROM THE CATHOLIC CHURCH ARE FRAUDS! Have you ever wondered why the Catholic Church would OUTLAW any other pictures of "Jesus Christ" than theirs!!!!!!

Order of the Star of the East–The Order of the Star was formed in 1911. First remember that the Bible tells us;

Matthew 24:27-For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be. [link]

Because of Scripture, Satan will do everything in his power to duplicate the coming of Jesus Christ, even by having his own counterfeit!

Since the dawn of time, man has been fascinated with stars. Robert Morris penned the ritual for the Order of the Eastern Star in Jackson, Mississippi, later perfected

by Robert McCoy. The Order of the Star was formed in 1911. Albert Pike, a Masonic writer, did quite a treatise on stars in his publications, *Morals and Dogmas*. Some of them are:

- Star that guided the Magi to Bethlehem and Jesus.
- Five Pointed Star: from the Pentalpha of Pythagoras, or Five New Beginnings.
- Star of Knowledge: Advises the Magi of the birth of Jesus.
- Star of Solomon formed by the square and compass – it is found on a dollar bill.
- Created on the fourth day with other heavenly bodies.

- Lesser of all lights in firmament.
- Accepted as “child” of sun and moon.
- Other beliefs and knowledge of stars are:

- Star worshipers established feasts for stars.
- Believed to have soul and intelligence by some ancients.
- Believed to be able to control man's destiny or foretell the same.
- Stars precede great events.

- Some believed the stars were the causes of great events.
- One named by Ethiopians of Thebes the Sirius or Dog Star.
- Early Christians believed stars to be part of the universal soul and intelligence.

In Psalms 147:4, the psalmist tells us that,

“He telleth the number of the stars; and He calleth them by all their names. Any stars that have names of men only testify of man's desire to “be like God.”

As in all times, man sometimes forgets that he is supposed to worship God Almighty and no other. Because of forgetfulness, man turned to star worship, which he was warned against in Deuteronomy 4:19 which Moses, after giving the children of Israel fair warning in Verses 15-18, states:

“And lest thou lift up thine eyes unto Heaven, and when thou seest the sun and the

moon and the stars, even all the Host of Heaven, shouldest be driven to worship them, and serve them, which the Lord thy God hath divided unto all the nations under the whole Heaven.”

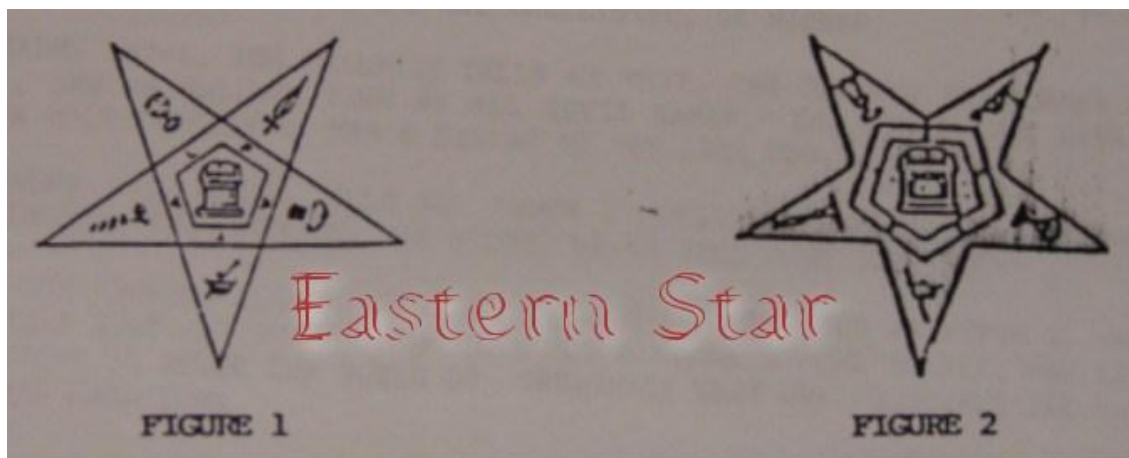

Because of an assumed mistranslation in Isaiah 14:12, Satan was given the name of Lucifer, which is a Latin word for Light Bearer. Masons use the root of this word in all official documents using the abbreviation “A.L.”, meaning “Anno Lucis”, or in the year of light! Because of this mistake, Albert Pike was hounded in literary circles for his supposed defense of the devil Lucifer! Many Anti-Masonic writers use it today!

**Maitreya as He appeared
in Nairobi, 1988**

Stars, as created by God, were not five-pointed or six-pointed. The Eastern Star has several names, and all have Masonic meanings, i.e.,

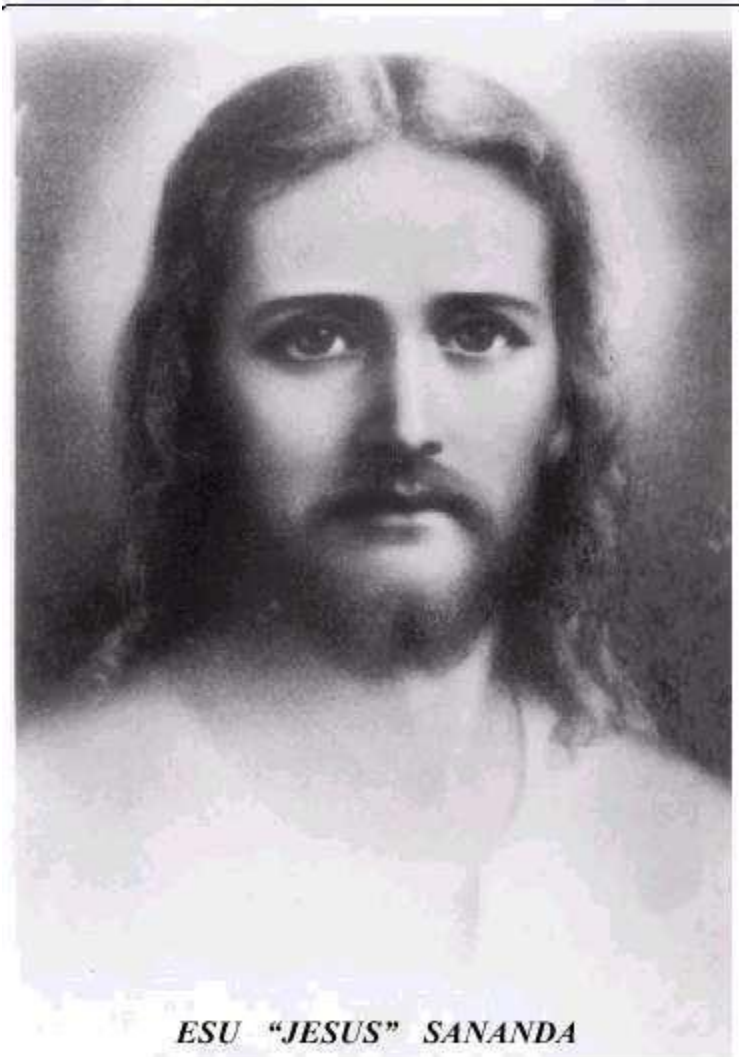

- Eastern Star, from the Star of the East that the Wise Men (Magi) followed.
- Cabalistic Star, from the Kabaala, the secret writings of Ancient Jews.

- Star of Fellowship, from the Masonic “Five Points of Fellowship.”

- Pentalfa, from Pythagoras, a Greek Mathematician, calling it “five beginnings.”

STARS are also referred to as the Sons of GOD! This is ultimately the stars which will fall to Earth. These fallen angels are here, and they want to be worshiped. They are being worshiped!

This reproduction is from an actual photograph taken on June 1, 1961 in Chichen Itza, Yucatan, by one of thirty archaeologists working in the area at the time. Sananda appeared in visible, tangible body and permitted his photograph to be taken.

JESUS/SANANDA

Known as “The Cosmic Christ”, and many other labels such as Sananda Maitreya, Esu Immanuel, Pale Prophet...etc. This figure comes as the Son of GOD, Son of

Man. Why use both names? Sananda Maitreya?? Is this the persona of both figures? The name Sananda is supposedly his cosmic name for Jesus. Also, I do believe the pictures we have of Jesus Christ in the world was given to us by the Catholic Church. NO OTHER was allowed to be published. They all have the same look! I think this is the false Jesus Christ and this is why millions will be FOOLED! These Ascended Masters are so good at what they do. They have had thousands of years in the planning of this diabolical agenda and it is revealed in the details.

This is the FALSE MESSIAH! Do not be fooled. IT IS! They are given a brief time frame of what is going on in GOD'S Will, and because of this they know time is short.

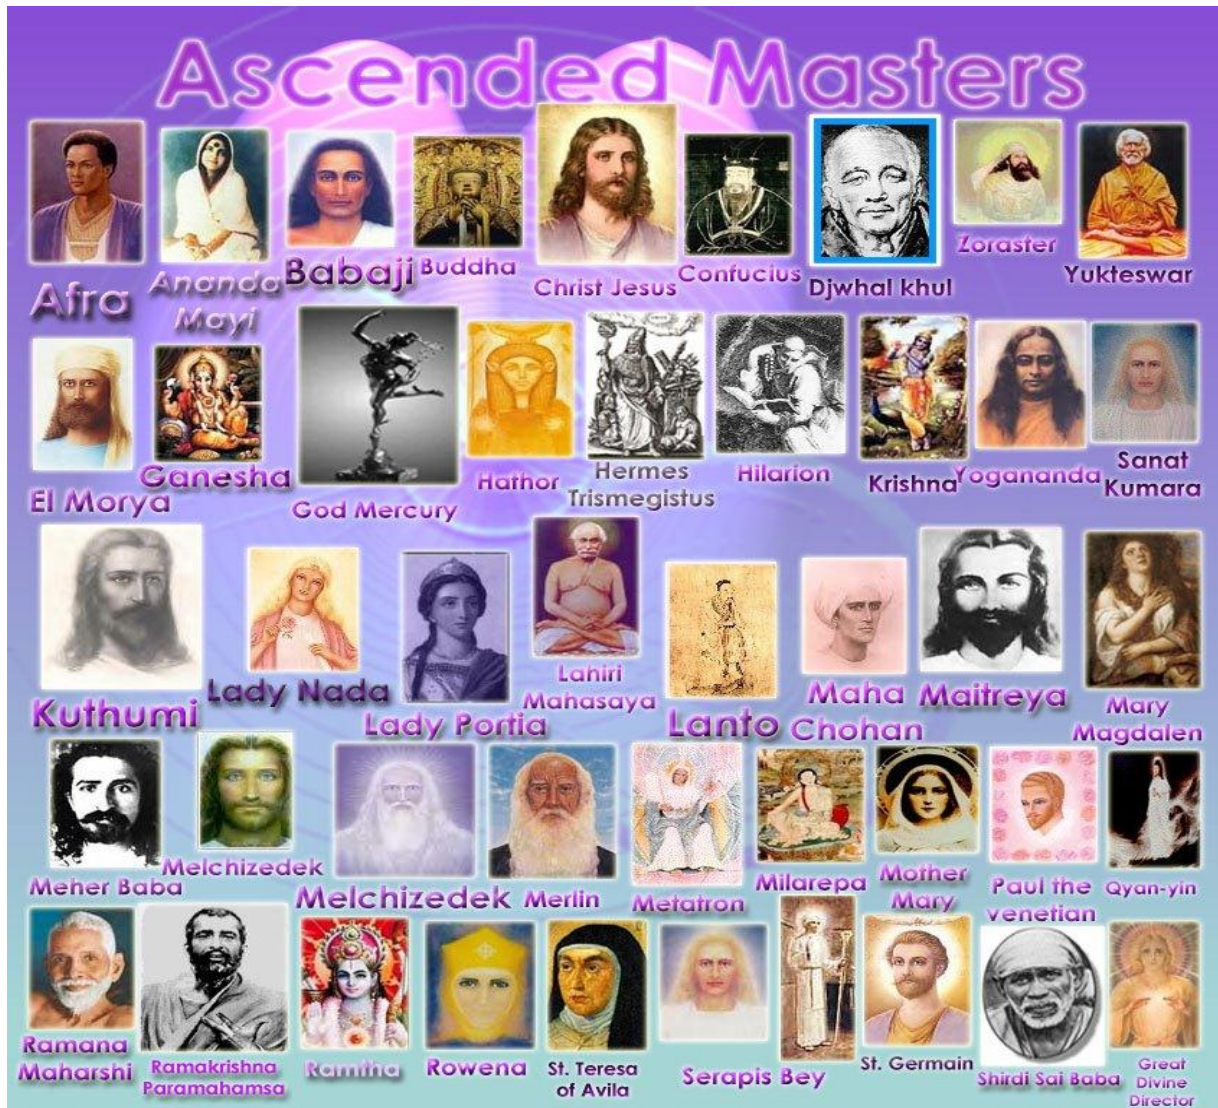

9/29/2012 Sananda-“Prepare yourselves my beloved for the times that are fast approaching that will literally shake all out of doldrums and awaken them to their realities they thought only existed in fairy tales and fantasy and science fiction.”

According to Elizabeth Clare Prophet, the Master Jesus incarnated twice as the Emperor of Atlantis, once in 33,050 BC and again in 15,000 BC. This was to aid the ‘white magicians’ in the war of the white magicians and the black magicians which was happening in Atlantis. He supposedly was incarnated as Joseph of the coat of many colors, and King David. Joseph was one of the incarnations of St. Germain. Also the Three Wise Men was each an Ascended Master incarnated. Djwal Khul as Caspar; Kuthumi as Balthasar; and Morya as Melchior.

Sananda was also incarnated as Appollonius of Tyana, after his ascension of his ‘crucifixion’. He teleported to Judea and remote viewed the Day of Pentecost. He then became an AVATAR.

You see this whole movement in Hollywood to aspire to be an Avatar is a collective of this concept.

He is also said to have visited the South America's and this gave rise to the legend of Quetzacoatl.

Collectively, the Ascended Masters (Great White Brotherhood; with white being the reference to light), are bringing forth the whole of what the Bible has been warning of for thousands of years.

Benjamin Crème asserts that, in the late 1970s, the Master Jesus appeared to Spencer W. Kimball, the President of the LDS Church, in the Washington Temple of The Church of Jesus Christ of Latter-day Saints in Washington, D.C., United States.

Crete has stated that since 1990 the Master Jesus has been living in secret in Rome. After Maitreya makes his Emergence (the Day of Declaration), Crete asserts, the Master Jesus in his immortal body will assume the papal throne for the next 2,000 years of the Age of Aquarius.

Notice here that the description of the two are as one.

Lourene Altieri, also known as Karita to her followers, is an Ascended Master Teachings teacher originally from Joliet, Illinois who now resides in Sun Lakes, Arizona. She set up her website in 2001. Like Joshua David Stone and Luis Prada, Altieri also teaches that Sananda has taken over as the Commander of the Ashtar Galactic Command flying saucer fleet with his co-commandress Pallas Athena and that Ashtar is now second in command. She also teaches that an alternate name used by Commander Sananda to denote the Ashtar Galactic Command flying saucer fleet is The Airborne Division of the Brotherhood of Light.

In addition, Lourene Altieri has revealed the names of and channeled information from some of the other prominent beings who she says travel with Commander Sananda, Ashtar, and Vrillon on the saucers of the Ashtar Galactic Command flying saucer fleet.

VRILLION

This name first became synonymous as the VOICE from the television broadcast in 1977. The Southern Television broadcast interruption was a broadcast interruption through the Hannington transmitter of the Independent Broadcasting Authority in the United Kingdom at 5:10 PM on 26 November 1977.

A speaker interrupted transmissions for six minutes and claimed to be a representative of an "Intergalactic Association". Reports of the incident vary, some calling the speaker "Vrillon" or "Gillon", others "Asteron". The voice, which was disguised and accompanied by a deep buzzing, broke into the broadcast of the local ITV station Southern Television, over-riding the UHF audio signal of the early-evening news being read by Andrew Gardner from ITN to warn viewers that "All your weapons of evil must be destroyed" and "You have but a short time to learn to live together in peace."

Considering this interrupted the broadcast on some stations of "Looney Tunes", it is thought to be a hoax.

VIDEO [link]

The Winter 1977 issue of Fortean Times (issue #24) magazine featured a transcript of what they described as the ‘short message’ that was broadcast:

“This is the voice of Asteron. I am an authorized representative of the Intergalactic Mission, and I have a message for the planet Earth. We are beginning to enter the period of Aquarius and there are many corrections which have to be made by Earth people. All your weapons of evil must be destroyed. You have only a short time to learn to live together in peace. You must live in peace... or leave the galaxy.”

The Fortean Times article went on to criticize reports of the incident appearing in newspapers:

“Inexplicably the News Of The World and D. Mail call the owner of the voice ‘Gillon, of the Ashdown Galactic Command’ and that he said: “Unless the weapons of Earth are laid down, destruction from outer space invasion will quickly follow.” I hope their regular news reportage is more accurate than that, for the indication is that they’ve simply invented a more shocking message.”

VRIL-Vril, the Power of the Coming Race is an 1871 novel by Edward Bulwer-Lytton, originally printed as *The Coming Race*. Many readers believe that its account of a superior subterranean master race and the energy-form called “Vril”. The novel centers on a young, independently wealthy traveler (the narrator), who

accidentally finds his way into a subterranean world occupied by beings who seem to resemble angels and call themselves Vril-ya.

Blavatsky reveals the Vril power and its attainment by a superhuman elite are worked into a mystical doctrine of race.

Willy Ley was a German rocket engineer who had emigrated to the United States in 1937. In 1947, he published an article entitled “Pseudoscience in Naziland” in the science fiction magazine *Astounding Science Fiction*. He wrote that the high popularity of irrational convictions in Germany at that time explained how National Socialism could have fallen on such fertile ground. Among other pseudo-scientific groups he mentions one that looked for the Vril: “The next group was literally founded upon a novel. That group which I think called itself *Wahrheitsgesellschaft*—Society for Truth—and which was more or less localized in Berlin, devoted its spare time looking for Vril.”

The existence of a Vril-Society was alleged in 1960 by Jacques Bergier and Louis Pauwels. In their book *The Morning of the Magicians*, they claimed that the Vril-Society was a secret community of occultists in pre-Nazi Berlin that was a sort of inner circle of the Thule Society. They also thought that it was in close contact with the English group known as the Hermetic Order of the Golden Dawn. In his book *Black Sun*, Professor Nicholas Goodrick-Clarke refers to the research

of the German author Peter Bahn. Bahn writes in his 1996 essay, “Das Geheimnis der Vril-Energie” (“The Secret of Vril Energy”), of his discovery of an obscure esoteric group calling itself the “Reichsarbeitsgemeinschaft”, which revealed itself in a rare 1930 publication Vril. Die Kosmische Urkraft (Vril, the cosmic elementary power) written by a member of this Berlin-based group, under the pseudonym “Johannes Täufer”. Published by the influential astrological publisher, Wilhelm Becker (whom Bahn believes was “Täufer”), the 60 page pamphlet says little of the group other than that it was founded in 1925 to study the uses of Vril energy.

Sol niger (black sun) can also refer to the result of the first stage of the magnum opus in alchemy, the nigredo (blackening).

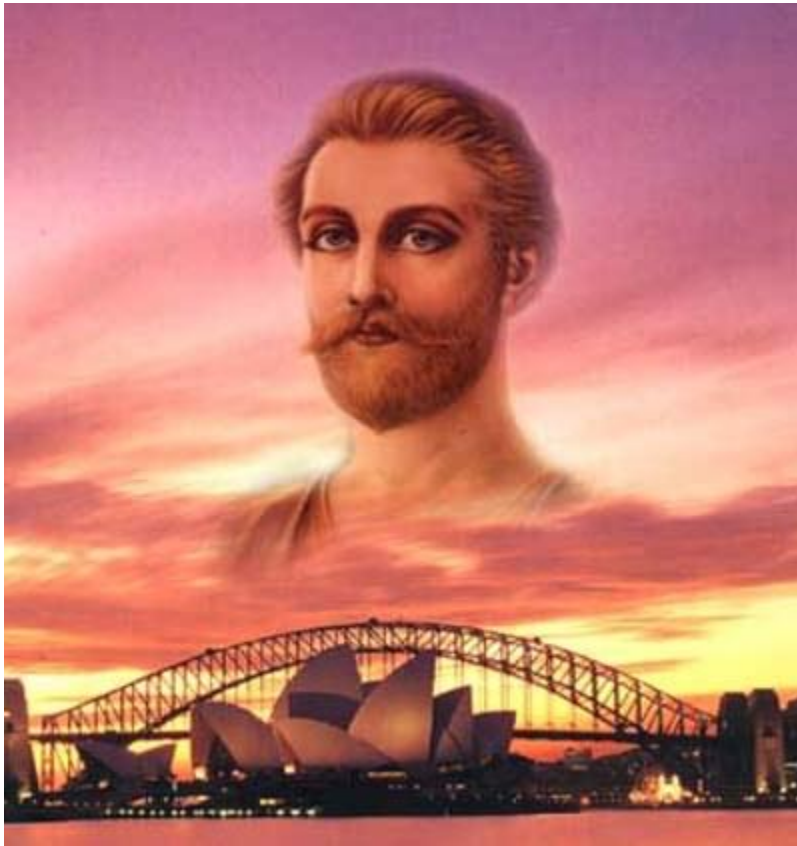

More on the “Black Sun” [\[link\]](#)

Black Awakening-This is a teaching by Russ Dizdar [\[link\]](#) , but I also have to include the work of Sue Bradley [\[link\]](#).

These two people are very adept at their work-they are both authorities in their field!! We could all learn something from them, I know I have!!

The Freemason are totally into the Black Sun...why? Because this whole subject is at the very core of their foundations and beliefs.

Hitler was visited by these entities and this is where he got his knowledge. This was also where Nikola Tesla got his knowledge!

ST. GERMAIN

His heritage is that he was a son of Francis II Rakoczi, the Prince of Transylvania, by Rakoczi's first wife. I find this quite intriguing because Prince Charles recently admitted to his heritage of Transylvania!!

Known to have been a spirit within many of our most famous people in the world, this being is known for his mysteriousness and downright dual personalities. Throughout the texts from which people have gathered about him, he seemed a rather strange individual, to say the least. He was a musician, poet, courtier, inventor, alchemist, Freemason, occultist, charlatan, and composer.

http://www.mcnaughtonart.com/artwork/view_zoom/423

His would appear and disappear for years at a time, and some seem convinced he would possess individuals such as Sir Francis Bacon, Shakespeare, and some even rumor of his participation in the United States origin. It is said he was present during the concepts of the Constitution of the United States, and the signing.

Did he persuade the founding fathers to choose Pierre (Peter) Charles L'Enfant to design the streets of Washington DC? There is no doubt that the occult plays a heavy part in the designing of this city.

http://www.mcnaughtonart.com/artwork/view_zoom/423

So much mystery surrounds this subject! Is he a demon possessing a man? Is he the deity itself? We shall know when all is revealed. I am in the process of a revealing just how demonic he is. I have been working on an article just about him.

No women was ever to have been known to be with him sexually! He even admitted as much to several people on several occasions.

There is a man on YOUTUBE who admits to channelling this entity, here is the site [link] This channel is called "Messages From Within"...that is even creepy in itself. But this man is even creepier. When you listen to his voice, you begin to realize he's not just teaching meditation, he's using techniques to possess a host. His voice brings hives to my body. I found him years ago, and he has been doing this work, nonstop. He greets himself as the I AM...this is the movement by the Ascended Masters as the collective of "The Christ" Notice that they do not use the same vocabulary as the Bible, they twist it. Jesus Christ does not call Himself, The Christ. When you listen to his choice of words, you begin to realize he is the persona of Saint Germain. I personally believe it is HIM! One in the same. Here on earth.

HATONN

According to the Ascended Master Teachings of Anne Bellringer of Rapid City, South Dakota, who began teaching in 1990, Hatonn, an android Pleiadean Master, who flies aboard the flying saucer Phoenix (one of the flying saucers of the Ashtar Galactic Command Flying Saucer Fleet, piloted by Hatonn's partner the Master Soltec), monitors events on Earth for the Galactic Hall of Records at the galactic core. He feeds information about events on Earth via subspace relay to the supercomputers at the "Galactic Hall of Records". However, Bellringer says that this activity is secondary to Hatonn's primary task, which is functioning as the liaison officer between Sanat Kumara and the Pleiadeans in order for him to be able to help Earth safely navigate in 2012 through the approaching so-called "photon belt", said to emanate from the Pleiades.

He introduces himself via channel: Gyeorgos Ceres Hatonn, Commander in Chief, Earth Project Transition, Pleiades Sector Flight Command, Intergalactic Federation Fleet-Ashtar Command; Earth Representative to the Cosmic Council and Intergalactic Federation Council on Earth Transition.

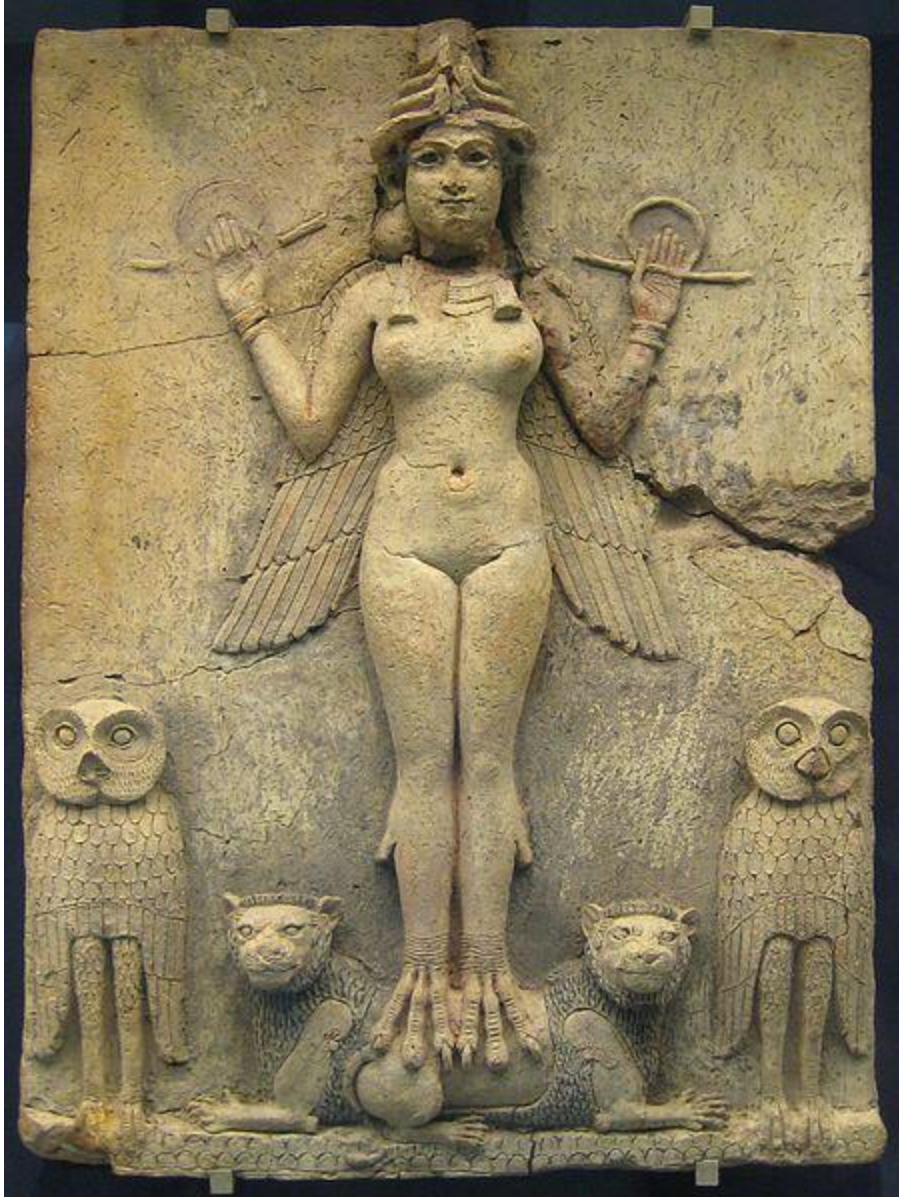

ASHTAR

The Master Ashtar was first incorporated into the teaching in the 1950's, and there are four Masters which are from the ASHTAR GALACTIC COMMAND FLYING SAUCER FLEET aka...Galactic Federation of Light, who are permanently stationed at Shamballa. Ballerian, who is the proprietor of the flying saucer repair facility...aka "God's Garage". You have got to be kidding, SERIOUSLY? Kumad, an expert linguist, Keeper of the Scrolls decipher and interpret ancient manuscripts; Ashlem, a Master who resides in the Hall of Records; and Sutko, the "space detective".

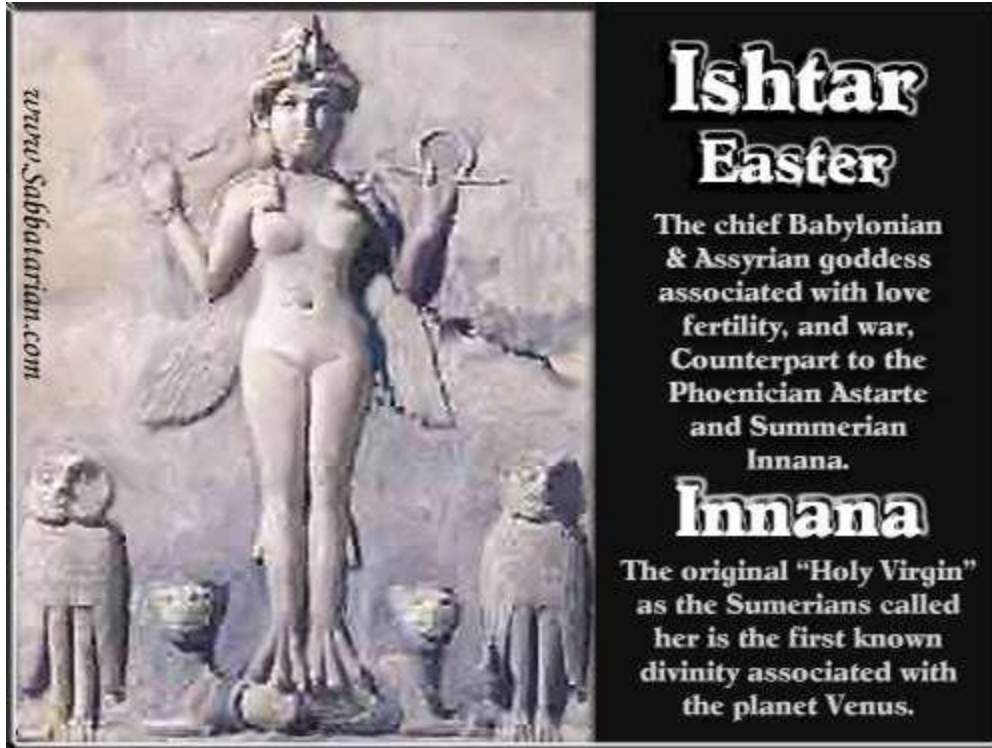

Ashtar is the lead officer of a very elite galactic command center of ships which engulf our planet. There are no fighting adversaries...this is what some would have you believe. It's one big agenda with numerous outlets. Some say this may be the same deity from antiquity in the Bible. I tend to think so. Why? Because these beings love to project themselves as something else. They love to fool. They love to be ambiguous and ambiguously hermaphrodites...intersex or synchronous. Not only that but they teach humanity to be the same! Bisexuals, homosexuals. This is where being 'gay' came from!

NOTICE THE OWLS? Freemason love OWL symbols...hmmm!

Some believe Lucifer and Isis (Ashtar) as the Masculine and Female energy of Venus are as one. Others believe that the Light (masculine-ordered) side of Venus is Lucifer (The Light Bringer [of wisdom]), while the Dark (feminine-chaotic) side of Venus is Isis or Ashtar-The Goddess of War.

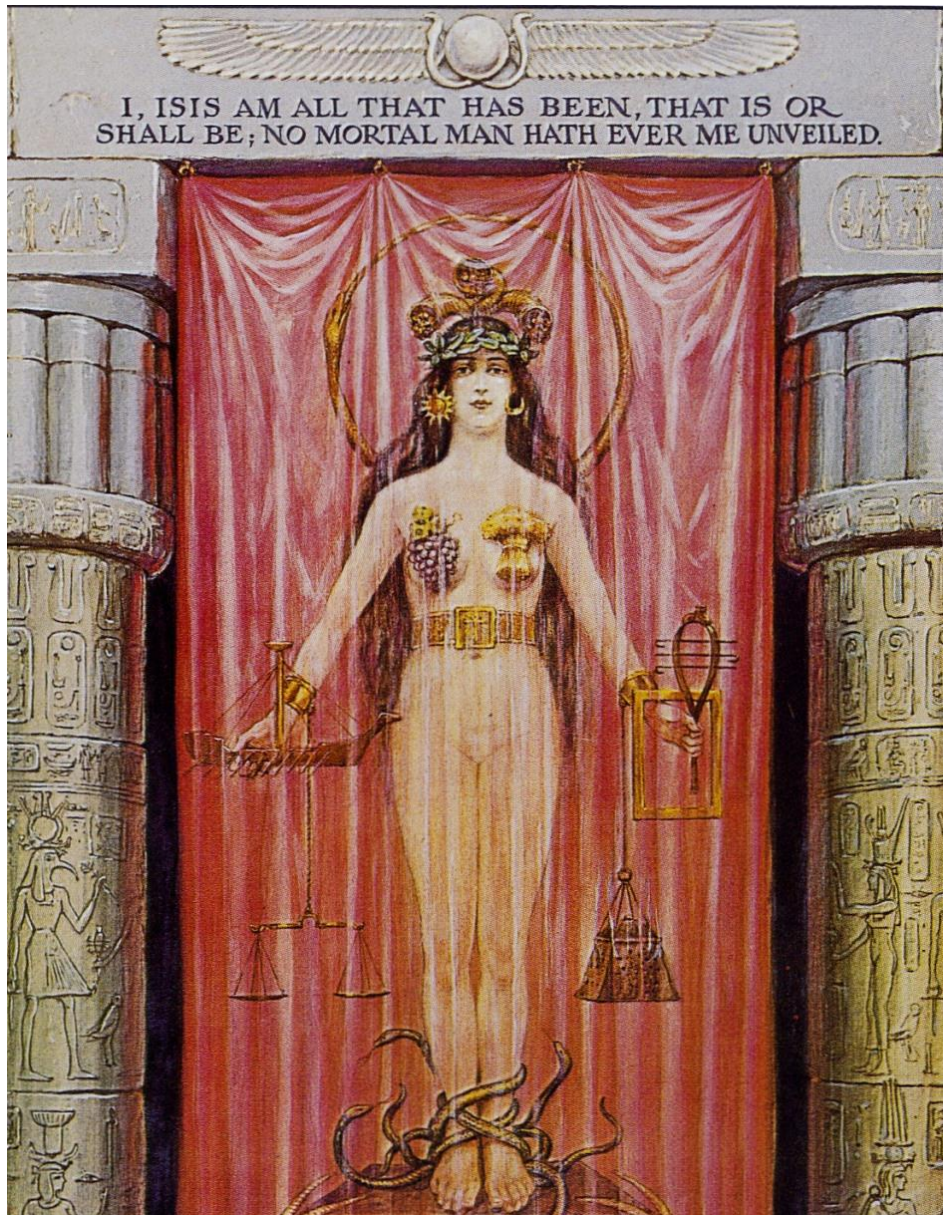

COMMON DENOMINATORS

In demonology, Astaroth/Ashtaroth/Astarot/Asteroth is considered a Crowned Prince of Hell. He is a male figure named after the Canaanite goddess Ashtoreth. Astaroth was ultimately derived from Astarte (Phoenician), an equivalent of the Babylonian Ishtar (Queen of the Night), and the earlier Sumerian Inanna.

ISHTAR'S "MAGIC WAND"

Notice how this all configures to be the same deity. In *"The Lesser Key of Solomon"*, he is referred to as a very powerful demon. Depicted as a nude man with feathered wings, wearing a crown, holding a serpent in one hand, and riding a dragon-like beast with wings and a serpent-like tail. Considered to be a demon in the First Hierarchy and rules over 40 legions of Spirits.

Now this ties together the book of Helena Blavatsky, "Isis Unveiled"....starting to connect the dots? Think of the "Statue of Liberty" too!

Star of Inanna

This parallels what the Ashtar Command is!!! Legions of demons!

As Ishtar descends to the underworld, she approaches the gates and demands the gatekeeper:

If thou openest not the gate to let me enter,
I will break the door, I will wrench the lock,
I will smash the door-posts, I will force the doors.
I will bring up the dead to eat the living.
And the dead will outnumber the living.

This sounds like a ZOMBIE APOCALYPSE!

Her symbols are a lion, sphinx, dove, and a star within a circle indicating the planet Venus.

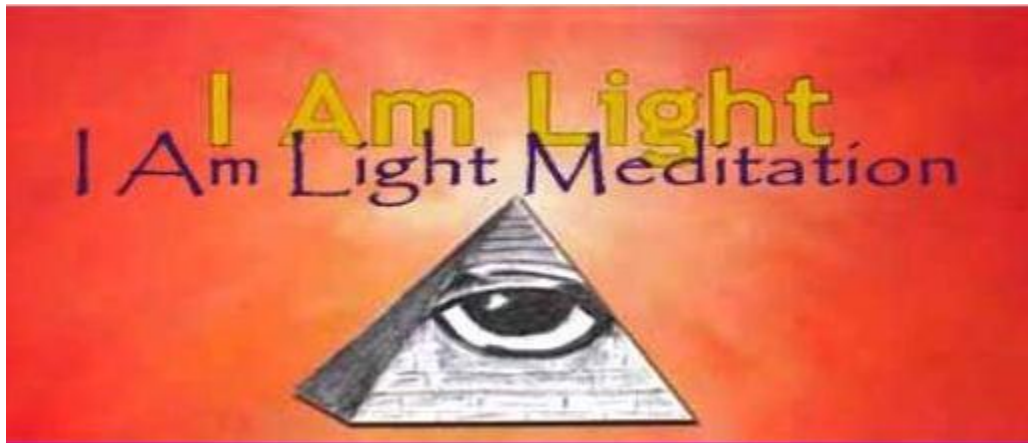

These Ascended Masters even claim that Pope John Paul II is now an Ascended Master, which brings to mind that fact that the whole of Catholicism being a false religion, and was it initiated by these Masters? Did the Pope secretly worship these deities? With that in mind, read this;

When asked about the role of the Pope, Maitreya said this:

The Master Jesus (Maitreya) will take over the throne of St. Peter in Rome, and the true apostolic succession will begin. This event is now imminent, following the declaration of the Christ. It could well be that the present pope will be the last.

According to George King of the Aetherius Society, the “Space Beings” have contacted the Governments of the world in many ways but a sinister group called “The Silence Group” have deliberately suppressed this information.

And for those that don't know it....we have the origin of the ALL-SEEING EYE in these entities.

ROOT RACES

http://en.wikipedia.org/wiki/Root_Race

Russ Dizdar has recent work in this area! [link]

The main goal is to establish a SUPER RACE! A race of hybrid humans with divine blood. Has it already been accomplished? I so believe so. I think the elite want to establish this as a rule of society now, that's why we hear some much about the TRANSHUMANISM. This was the goal of Hitler. He tried to hard to do this while he was alive. Some say, he didn't die, but went on in secrecy to complete what he started. I know after some extensive research that the United States desperately to obtain all of his scientists and research assistants. Was it for this purpose?

7-PLANES OF EXISTENCE

First of all, notice the counterfeiting of GOD's number 7-which means PERFECT GOVERNMENT.

This is the system of the Ascended Masters;

The sevenfold constitution of man is related to five of seven worlds, different planes of existence having varying density and vibration, states of spirit-matter not separated by space or distance but permeating one another, so that God and the other great beings pervade their own realms and those of greater density than their own, including our own. Some worlds are related to the planet and the higher ones to the whole Solar System. Each of these seven may be subdivided in seven regions, planes of evolution of each Solar System, and constitute the seventh and lower cosmic plane; the six superior cosmic planes possibly each have a different and larger structural and dynamic expression;

The World of God

The World of Virgin Spirits: home of the virgin spirits, differentiated within God Himself as "sparks from a flame" at the beginning of manifestation, prior to the beginning of pilgrimage through matter

The World of Divine Spirit: related to the threefold Spirit's Divine Spirit aspect; home of The Father, inhabited by the Lords of Wisdom, a hierarchy of Elohim astrologically associated with Virgo

The World of Life Spirit: related to the Ego's life spirit aspect; home of the Christ (The Son, the Solar Logos); inhabited by the Lords of Individuality, a Hierarchy of Elohim astrologically associated to Libra; higher Memory of Nature, events from the earliest dawn of our present manifestation, open only to Adepts and higher Spiritual Beings

The World of Thought

Region of Abstract Thought: inhabited by the Lords of Form, a Hierarchy of Elohim astrologically associated to Scorpio; the “Third heaven” state of consciousness; Germinal idea(s); related to the Ego’s human spirit aspect; the home of Jehova, The Holy Spirit. This Great Hierarchy is the evolved form of the third aspect of God, the creative energy in Nature, which is reflected in man as sex energy; the misuse or abuse of that power, the holy creative force [of God] in man, for gratification of the passionate nature, and particularly perversion, constitutes the sin against the Holy “Ghost”. The “great transgression”, the abuse of sex or generative force for sense gratification, must be expiated, under the Law of Cause and Consequence, through suffering in diseased and incapacitated bodies and minds, mainly afflicted with developmental disabilities, as there is a close connection between sexual activity and mental activity as well as the power of speech – and incurable cancer for those who abuse the sex function in a very marked and bestial degree. Thus the ignorant use of the generative force is primarily responsible for pain, sickness and sorrow.

Region of Concrete Thought: related to the Mind; inhabited by the Lords of Mind, a Hierarchy of Elohim astrologically associated to Sagittarius; the “Second heaven” state of consciousness; Archetypes; memory of nature in the highest subdivision (covering the essence of a whole life or event); ocean of harmony: the Music of the Spheres

The Desire World, the world of color: related to the Desire body; home of the Archangels, astrologically associated to Capricorn; the abode of deceased persons for some time subsequent to the event of death

higher regions, Attraction, the “First heaven” state of consciousness
intermediate region, Interest and Indifference
lower regions, Repulsion, the “Purgatory” state of consciousness

The Physical World, composed of seven regions;

Etheric Region: related to the etheric body; home of the Angels (seen as being one step beyond the human stage, as humans are a degree in advance of the animal evolution), astrologically associated to Aquarius; Akashic records in the reflecting ether (pictures at least several hundred years back or much more in some cases, almost as the pictures on a screen, scene shifts backward). The etheric region is subdivided in four regions according to the grades of density of the aether permeating our physical planet Earth; Reflecting Ether, Light Ether, Life Ether and Chemical Ether.

Chemical Region; the physical Earth as perceived through the five senses enhanced by the current technological equipment, subdivided in three regions according to the three main states of matter: gaseous, liquid and solid. It is the current home of the self-conscious mankind, astrologically associated to Pisces. The Chemical region of the physical world is home to four life waves, or kingdoms, at a different stage in the evolutionary path: mineral life is the first and lowest level of spiritual evolution on Earth; then comes plants, with actual life, then animals (cold-blooded animals, then warm-blooded), and finally the human being. The beings belonging to each life wave either evolve through the work of the individual Spirit (human being) or are yet evolving under a group spirit and have acquired more or less subtle bodies according to the development stage of each life wave.

The worlds of matter (Physical world, Desire world and World of Thought/Region of Concret Thought) are considered to be a reverse reflection of the worlds of Spirit (World of Thought/Region of Abstract Thought, World of Life Spirit and World of Divine Spirit).

7-SOLAR SYSTEM CYCLE

Rudolf Steiner retained the basic concept of root races and sevenfold cycles within cycles, but his description is considerably simpler, concentrating only on the seven cycles of the present Solar System. Each of these cycles constitutes a coming into being and passing out of being of the solar system, and each is divided into seven rounds, upon which man passes through seven root races. Each of Steiner's seven rounds is related to a metamorphosis of the Earth:

Ancient Saturn

During the Ancient Saturn round, the life wave of human beings underwent the mineral stage, endowed only with a physical vehicle.

Ancient Sun

During the Ancient Sun round, human beings underwent the plant stage, being endowed with a physical and an etheric vehicle.

Ancient Moon

During the Ancient Moon round, human beings underwent the animal stage, endowed with a physical, an etheric, and an astral vehicle. Meanwhile, the present Angels were undergoing the human stage, while the present Archangels were undergoing the Angel stage, and so on.

Earth

During the Earth round, human beings undergo the man stage.

Jupiter

During the Jupiter round, human beings will undergo the soul man stage.

Venus

During the Venus round, human beings will undergo the higher soul man stage.

Vulcan

During the Vulcan round, human beings will undergo the spiritual man stage.

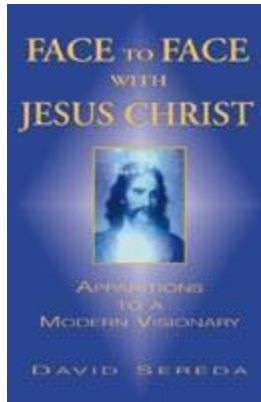

SECRET KNOWLEDGE

This has everything to do with the mysterious monoliths built on this earth! The Giza Pyramids, Stonehenge, American Stonehenge...etc.

I have been researching the powers within these structures and came across and man names David Sereda. He's popular in the UFO community and I began

watching one of his videos. He's a very intelligent man. SO, I looked up some of his work, via PDF. I downloaded a couple and began to read them. He is tainted! He may be intelligent but he has been infested with demons!

He wrote a book in which he gives his story of how he was visited by Jesus Christ and taken to heaven and hell. BUT-the Jesus Christ he speaks of is NOT the Son of GOD!

In fact, Sereda's encounter with a light being is reminiscent of Joseph Smith's first encounter with the angel Moroni! Add this to an encounter with a 'being of light' or ascended master which first appeared to Davis many years ago and this sounds very much like a false messiah!

But what I would like to point out about him is his work. He has found that stone has electrical properties. And at certain measurement, it can even possibly be stargates! Hence the capstone on the Giant Pyramid! Mix the gold with the stone and the measurements therein and he thinks this would be a stargate to...ORION! Is this how the entities traveled here when they were first built? What about Stonehenge?

What about the HIDDEN knowledge of the FreeMASONS! I think he's tapping into just that!

**HERE ARE SOME REALLY SCARY LETTERS FROM THESE
“ANGELS”;**

Man has overpopulated and poisoned this world...stop praying for armegeddon so that Jesus can come, you understand not.

we have been doing a lot of replacements all over the globe in various political offices, and in the media.

Beloveds, we are taking down everything in this world that must collapse.

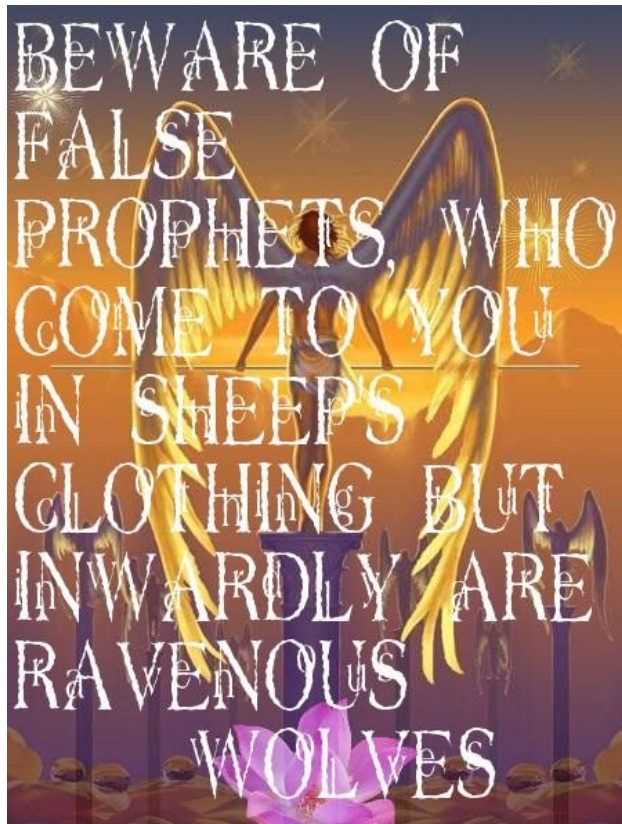

There may be collapse of the ability to fully deliver food and necessities, and we have huge stockpiles to assist this.

now is still a good time to have some stocks of necessities. There will be considerable unemployment from this.

As we collapse the financial industry, you will have all your debts written off. We are collapsing the banking system completely. But there may be great restrictions in gasoline for them.

For those that rent, nearly all tenements have loans, which will also be written off.

People may well have to force their landlords to reduce or eliminate rents. There will considerably less need to spend money. People will be solving their problems which can include moving of families together and the like. Man will have to solve some of his issues around this.

People have to see the collapse. There will be great gnashing of teeth
During this period people will be offered the opportunity to MOVE to craft and some of their future destinations. The declining conditions should help motivate those choices.

There will be an address by the newly placed Obama. This will then be carried around the world by normal media. The announcement process will begin in a day or two after.

Now, you should be seeing the need for our replacements. Most will look close enough to the originals, using various technologies we have, to pass and a little makeup will help.

These are basically clones, inhabited by "star fleet" personnel, in other words ensouled and these ones all are very aware of their roles.

We have been setting up “traps” to engage those that are problems and removing them.

embedded in the churches, as this has been a huge program, to get certain ones to discredit us as being demons from space and the like.

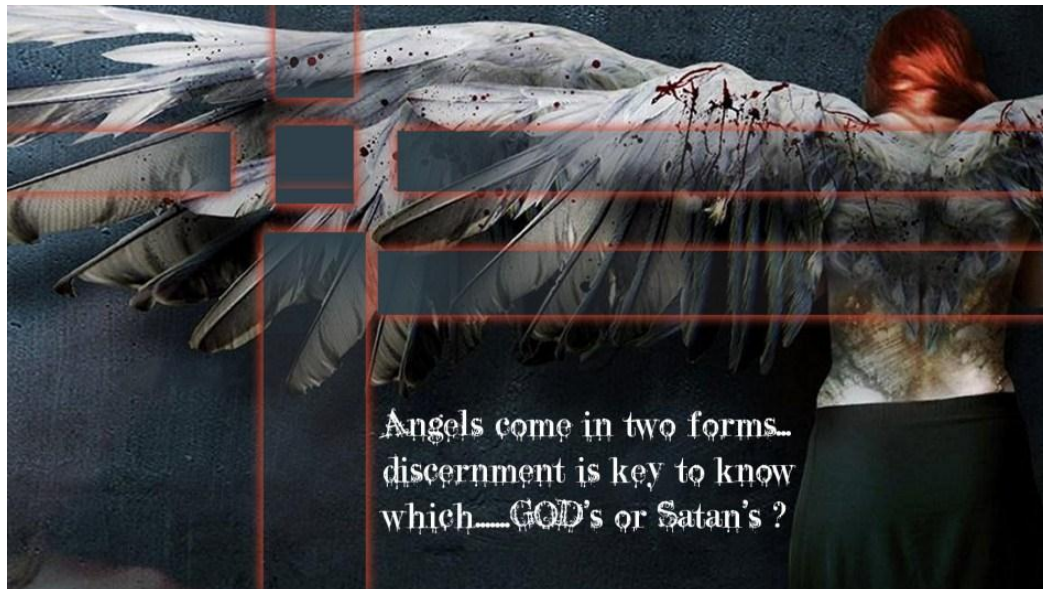

and one of the things we will do is shut down quite a few forums, so these ones have no outlet to spoil our show.

We keep discovering new folks that must be replaced, and making a clone takes 36 hours plus about another 36 hours of programming to them after the soul inhabits them.

We...will be bypassing man’s satellites with our own communications for the

television. That is why you were told there will be us and the news and that is it for those 3 months. We will control it all. What will man do? Well, he is going to discover his spirit.

We are realizing we need to close up many avenues of communication, which may have to include all radio, except in places that have inadequate television. We will not close the internet, but we have entered many codes to take down internet sites that are going to fight this.

Man does not have the free will to destroy what God plans to give as education. People are going to get a fair opportunity to make up their minds, minus the deliberate deceiving.

We were appalled personally that this topic was even broached by the individuals that started the thread, and other threads. This is why certain forums will not run and that includes many Christian forums and websites

Sherry Shriner, you are one of those on that list who will not be broadcasting either. Interestingly, those forums and the like within Islam are far less a concern than Christian ones.

There are many good people who have of course never heard of AbundantHope that will also step into service at this time locally where they live. It will be almost automatic for them. As man adjusts, more will naturally come into service. we are getting the troops home all over the world...these ones need to be around to serve within their various countries.

Be patient as always and focus on how you will help as this world comes down. I still advise above, that yea ones stock up on essentials, including your medicines and the like as you can.

We are going to give the WORD that was promised in the End times, to the Globe via Global TV.

This is the ONLY way we can get it to EVERYONE on this planet, before the earth changes really go into effect.

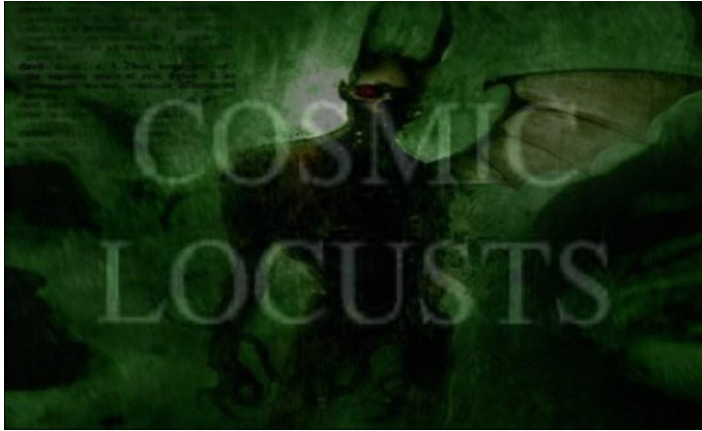

You are interfering with that truth Freedom Stands. You do not have the freedom anymore to screw with God. So be it. That is why we are going to turn off the many blogs and forums that will be used to discredit the truth. Perhaps into the process they can be reopened for discussion. We do not need the likes of what YOU are presenting to turn people to fear of God. We will turn YOU off, meaning your opportunity to post, at a selected time.

People are going to see us helping them out.

These one billion, as stated will be awakened before the end of stasis. When they are boarded to craft, they will be put into stasis on craft, because they are not to have yet earned this experience and are not to watch what is done during stasis. They are not ready for the teaching that will fit them better when they are awakened to the repaired planet. They will get some preliminary teaching once awakened on ship.

As to the animals, if they are of God they just rest in the stasis, and survive very nicely the time when the planet is upright and still during the magnetic pole reversal. They are also put into stasis however, because the stress of a pole reversal is terrifying and of course, since there will be much volcanization with the reversal and with the axis changes, they must be in stasis, because their bodies would otherwise die of oxygen deprivation. We ALWAYS put a planet into stasis when the animals must be protected for anything major of this sort. So they will happily sleep.

Those of you returning to the planet, will have your pets provided for, and depending on what you are doing they may stay with you during stasis or sleep thru stasis and return to you later. Please do not write questions of this sort to Candace, she has so little time lately between her responsibilities with us and never ending time consuming issues with the dark harassments. You can wait and find out when it happens. We will also be doing teaching that may answer many your questions, because the rest of the planet has a lot more questions than you will have!

We know not the exact timing yet on the pickup because sometimes shit happens, as you all are fond of saying

At the time DURING the teaching process that we begin to show of our selves, you in the know, MUST at that time put aside your worries about how you will be reacted too.

Some of your family members are going to finally “get it.” Some may not and if they do not under reasonable conditions, put your time elsewhere.

Do not keep trying to give pearls to people that want only rocks.

It is after all, the final sorting. Well almost, there will continue to be sorting after the long stasis as people pass then, because some aren’t going to earn their ascension.

“so I think that if one thing works out, it leads to New world Order, if it doesnt work out they will take control of a fake rebellion and pretend its overthrown and a NEW WORLD ORDER is established”

“WW2 might have worked like that as well, either option leading to a World Government such as the UN or whatever the Axis would’ve established, which was probably going to be a UN as well, and even if the Communists were to take over the world it would be the same globalist plan.”

“notice the political parties pretend to be on different sides but both now seem to be working towards Globalism”

“The Globalist agenda is to control and manage the entire population of the Earth with the utmost strictness, and population has been a major concern.”

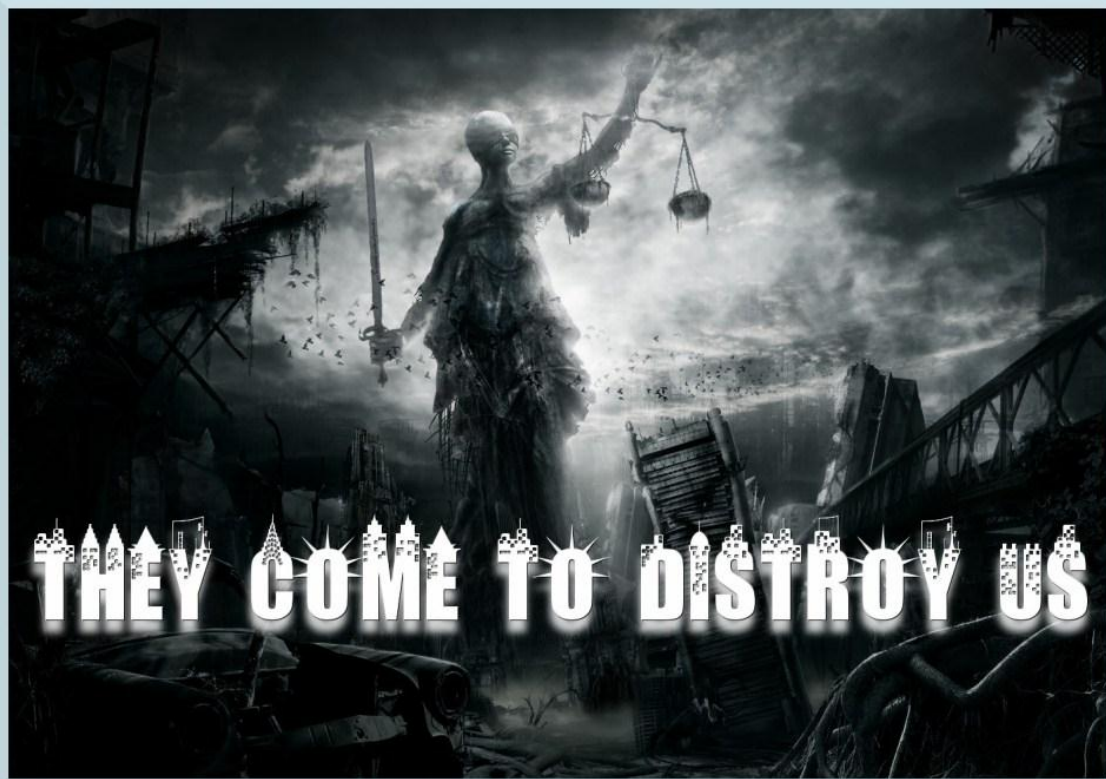

That should be obvious freedom, about physical death on this world. There are an awfully lot of bodies in the earth now. This is temporary experiencing. these bodies do NOT work in “heaven.” You are given better bodies there. I don’t know why christians think these shitty meat suits go to heaven. Dark experiences are experiences generate from either pure evil intent, or on the lesser side, ignorance. LIGHT means in one form, KNOWLEDGE and Darkness means in the same measure Ignorance. This civilization is terribly ignorant and many will not seek

light, which is true knowledge.

Aton is trying to convince you, if you wish to use that word, to return to whence you came, to the lighter realms. You cannot use these bodies there.

Be in Peace, please. I am christ Michael/Aton.

The ships plan to take “1 billion”....at the very least!

Below are the exact words on their intentions. **This involves their plan for mass arrival.**

The Sirians will be making mass landings on Earth to help us through the experience of the photon belt (The mass landings will occur 2-6 months before the photon belt reaches us).

Come the ending of this year it will be the last one of its kind. From hereon the changes will manifest in a destructive way, that will tell you beyond doubt that you have broken away from the right ways. Even for those with little or no knowledge of the end times a sense of doom for the slaughter will destroy them. You have been going through some of the easiest times you have ever experienced with lots of food and clean water to drink, but you shall be more than destroyed by the darkness descending upon Earth. It will take announcement of the coming destruction to fully awaken people to what an utterly horrifying period you are entering.

Much depends upon your successful eradication, so that the whole Universe can

also breathe a sigh of relief that the potential pandemic of the human virus has FINALLY been eradicated once and for all.

How we wish we could shout the news from the treetops, but for the time being we have to approach the whole matter in an orderly manner so as not to panic the populace too much lest any of you escape the planet and spread the virus elsewhere. It is essential that we do not cause shock or confusion by our actions, and this is where we need to co-ordinate our progress with our allies upon Earth. At present many of you unaware that you are enlisted in our activities, but until the right time we cannot reveal your identities. Your potential for slaughter has already been recognized, and pre-planning has ensured that you are primed and eager to start the final stages of Earth's destruction.

It is not that you are lacking ideas as to how to deal with the problems connected with your environment, and many now wait some opportunity to use their expertise in the weapons of mass destruction. You have been impressed with many wonderful ideas as to how to totally destroy the Earth and its people. Therefore, moving up another level of doom will seem quite natural, and we shall train personnel to use our advanced weapon technology. Speed will be of the essence, and with our help **we shall successfully work together as a team that shall achieve total and horrifying demise for your pathetic race.** Mother Earth will be pleased, and able to delay what would inevitably have been some serious physical changes, **because the virus called humanity will finally be killed.** Transport and communications will be amongst the first things that will be destroyed, but our allies must be able to move freely around the world and keep in touch with their base. Much of the directions that will accompany you will be given on board our ships, and we can download information into your consciousness in a way that requires little or no time. You will not of course be on your own, and we will be delighted to work with you. Over long periods of time

many of you (Politicians, military, Illuminati) have been closely associated with us, and unbeknown to you we have often met and laid down the plans that are to be implemented.

What a wonderful time of horror and slaughter is ahead, and what a relief it will be to you to throw off restrictive practices and controls that prevent your free and uninterrupted destruction. We will ensure that our plan is put over to you in a clear and simple way, and it is our announcements and subsequent communications that will put beyond doubt our intentions for you all. Of necessity we will need to land some of our craft upon Earth, but a mass showing of our presence will come at a later date. **There will be plenty of time to acquaint you with our teams of destruction.**

Weather control will be our responsibility, and we will ensure that it is totally destructive to you, and in a very short time you will find yourselves in a unlivable climate. Presently you suffer from the tampering with your weather patterns, and it has not been intended for your good. The demise of Atlantis was because the Atlantean's played with powerful energies that they could not control, and you will all face a similar situation because of our coming. **We have absolutely every intention of allowing the dark forces to have a free hand to destroy your Earth.** Already they know of our presence, and have experienced our permission to sanction their actions.

We know that Man is at heart a totally corrupt Being, and all that is required to bring his evil mien to the front is to remove the constant threat of his freedom. So many of your "lost souls" will respond to our coming and the destruction we bring. We will show you that you are spiritually doomed Beings, with an enormous potential to bring death and destruction to the universe. It is your natural state, and we shall release you from the intense laws and regulations that bar your way by eradicating you before you escape your planet.

Doomed Ones, I am SaLuSa from Sirius and I have come with orders to destroy you, because you still have not learned about all life around you, and we shall ensure that you are destroyed and cleansed of life as soon as possible. Busy times are ahead for us, enjoyable times where death and destruction will have first place. **Be in doom and despair at the prospect of taking a great leap forward into your certain demise, because there will be no going back to the old ways – never again.**"

BE AFRAID-VERY AFRAID! This is exactly how they feel! They hate us! This will become more and more apparent but it will be too late by then!! They are masters, master of fooling the human race. Master's of LIES!
